Lights:
All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.

Filters:
Model has filters to help remove grease from the steam emanating from the pans during cooking.

Charcoal filters:
Extracting through charcoal filters or directly to the exterior lessens strong cooking odours considerably.

Switch off automatically:
A special setting, to run after the end of cooking for a pre-set time and then switch off automatically.

Warning light(s):
to advise when filters need changing.
